MODERATOR **Didier Coulomb**, Director, International Institute of Refrigeration (IIR)

PANELLISTS

- **Gérald Cavalier**, President, Cemafrroid
- **Jürgen Göller**, Director Sustainability of UTC Climate, Controls & Security Europe, Middle East, Africa (EMEA), UTC-Carrier
- **Olivier Jan**, Partner Sustainability, Deloitte France
- **Matthijs Montsma**, Scientist, Food & Biobased Research, Wageningen University & Research
- **Shamila Nair-Bedouelle**, Head of OzonAction, UN Environment, Economy Division

A focus on buildings

Increasing political awareness on indoor air quality & thermal comfort

Sonja van Renssen, Journalist, Energypost.eu

• **Atze Boerstra**, Vice-President, REHVA
• **Claus Haendel**, Technical Secretary, EVIA
• **Marco Hofman**, Project manager, ISSO, Dutch Building services knowledge centre
• **Dirk Müller**, University professor, Department of Buildings and Indoor Climate, Aachen University
• **Bjarne Olesen**, Head of Center, DTU Civil engineering
• **Mihai Scumpieru**, Manager, Mitsubishi Electric Europe

Driving energy efficiency in buildings

Jens Laustsen, Coordinator, Concerted Action EPBD

• **Martin Dieryckx**, General Manager, Daikin Europe
• **Vasco Ferreira**, Policy Officer, DG Energy, European Commission
• **Adrian Joyce**, Secretary General, EuroAce
• **Thomas Nowak**, Secretary-General, EHPA
• **Federica Sabbati**, Secretary General, European Heating Industry

EUREKA[★]2016

Heating, Cooling, Refrigeration & Ventilation: Sustainable technologies for a better life

13.15 - 14.30 NETWORKING LUNCH BREAK

14.30 - 16.00 BREAK-OUT SESSIONS

A focus on the cold chain

14.30 - 16.00

- ★ The impact of the new F-Gas rules in Europe and beyond
- ★ The role of refrigeration in reducing food waste

A focus on buildings

- ★ Increasing political awareness on indoor air quality & thermal comfort
- ★ Driving energy efficiency in buildings

16.00 - 16.30 COFFEE BREAK

16.30 - 17.30 PLENARY SESSION

16.30 - 17.00 Presentation of the conclusions of panels

General moderators:

Andrea Voigt, Director General of EPEE
Russell Patten, Secretary General of EVIA

17.00 - 17.10 Concluding remarks

Dina Koepke, Director Governmental Affairs,
Emerson Climate Technologies GmbH

17.15 Reception
