Sponsorship offer

EUREKA 2016

13 December 2016, The Hague, The Netherlands

★ MAKE YOUR BUSINESS MATTER AT EUREKA 2016 ★

EUREKA[★]2016

Heating, Cooling & Ventilation: Sustainable technologies for a better life

EUREKA!

★★★ A unique get-together for our industry ★★★ A unique opportunity to discuss the future of our industry ★★★ A unique chance to make an impact

HVAC – impacting the world

Heating, Cooling and Ventilation matters to the daily lives of citizens across the globe. Our two EU associations – EPEE & EVIA- have made it their mission to explain how our industry matters and how we can continue to make a difference to people. Everyday and everywhere.

HVAC – impacting you

HVAC impacts your business. To be connected and tapped into the policy reality around you can make a huge difference to your bottom line.

To create links and to instigate a lively discussion on policy and regulation, EPEE and EVIA are organizing a first-ever high-level forum bringing together industry professionals across the HVAC value chain to brainstorm, build bridges, and positively contribute to policy-making at the EU and national levels.

HVAC making an impact

EUREKA 2016 will take place at the Marriot Hotel in The Hague, carefully selected to suit sponsors' needs. Its first-class conference facilities enable delegates to assemble in one common arena, ensuring that sponsors will be visible at all times. The break-out sessions provide additional opportunities for sponsors to profile themselves on specific topics to an informed and engaged public.

You can make an impact

Aware of the invaluable role of sponsors, we have devoted considerable time to ensuring that the event is catered to the requirements of our sponsors. We have elaborated multifunctional sponsorship packages to ensure the highest degree of visibility.

Options for Sponsorship

Below you will find details of the various sponsorship packages and options available. The deadline for interest is 1 July 2016. Sponsorship will be allocated on a first come, first serve basis.

We very much hope to welcome you to EUREKA 2016 in The Hague and please do not hesitate to contact Fanny van der Loo (secretariat@epeeglobal.org) if you require further information or wish to discuss any specific requirements you may have.

We look forward to working with you,

Kind Regards,

Andrea Voigt
Director General EPEE

*Representing the heating, cooling, refrigeration
and heat pump industry in Europe*

Russell Patten
Secretary General EVIA

*Representing the European
ventilation industry*

SPONSOR LEVELS

Diamond sponsor (2 spots @ 8.000 €)

- ★ Possibility to deliver opening or closing address
- ★ Your company logo on all event material (conference packs, banners, etc.)
- ★ Your company logo on all event badges
- ★ Possibility to have dedicated corner at registration desks with promotional material
- ★ Company banner on EPEE and EVIA website and the name of your organisation on the registration website.

Sapphire Sponsor (8 spots @ 3.000 €)

- ★ Your company logo on all event material (conference packs)
- ★ Possibility to choose to have your logo either on the banners in the plenary room (visible to all participants) or in selected break-out panel sessions (high visibility with targeted and tailored audience).
