

Roberta Savli
Director of Strategy and Policy
European Federation of Allergy and Airways Diseases Patients' Associations (EFA)

Roberta joined the European Federation of Allergy and Airways Diseases Patients' Associations (EFA) in 2011. Since July, she works there as Director of Strategy and Policy. She is a Young Gasteiner and she periodically represents EFA at the Patients' and Consumers' Working Party of the European Medicines Agency and the Policy Advisory Group of the European Patients' Forum.

Member of the Executive Committee of HEAL (Health and Environment Alliance) from 2012 to 2016, in 2016/2017, Roberta was seconded as HEAL's Interim Deputy Director. She lead HEAL's overall policy input to the EU institutions and provides expertise for decision-making processes and strategic EU environmental files.

Before joining EFA, Roberta worked at the EU Commission and the European Parliament. She holds a double master degree in International Relations from LUISS University in Rome and in European Studies from the College of Europe.
