Heating, Cooling & Ventilation: Sustainable technologies for a better life

## **Peter Woodward**

Professional facilitator and moderator of  
#EUREKA2017

Peter trained in Urban and Regional Planning. He has worked in the social sector and for a multinational company. He has wide experience of helping to bridge differing perspectives on challenging issues.

Following specialist facilitation training Peter became a Certified Professional Facilitator with the International Association of Facilitators. He set up Quest Associates in 1995 and now based in Bath, he has delivered facilitation services to hundreds of clients over the last 20 years.

Peter covers interventions on a huge range of subjects. He has a special interest and expertise facilitating dialogues and conferences related to the sustainable development agenda. This includes responses to the challenge of climate change; moving to a circular economy, future cities, eco-innovation to implementation, quality of life, social inclusion and governance issues.
